Good turnout during the last fly-in at New Smyrna. A big THANK-YOU goes out to the folks at American Aero, they always seem to put on a great time, good food and a lot of good hangar talk.

There was several military vehicles on display for everyone to enjoy.

We have new members: Pete and Barbara Putnam from Loves Landing and D J and Erin Henderson from New Smyrna Beach. We are so very happy to have them join us, and welcome.

Thank you to all who made our quarterly meeting held at 11am, we had a good turn out. Thanks again and keep reading your newsletter, emails and coming soon facebook about times and places.
