Special Event for the ones that stay over. We will visit the site (CHIAPPINI'S) where Shelly (TH Bear) started his career as an author. This is a very special place in so many ways you just have to see for yourself.

Please note we're asking for an RSVP for the up coming fly-in at the Capozzi's. We need to know how many to plan for. Even if you are just planning on coming for the day events we kinda need to know. We have some special things in order for the weekend. So please plan on attending.
